

NAME: NIRANJAN RAO SARAF SRINIVAS RAO

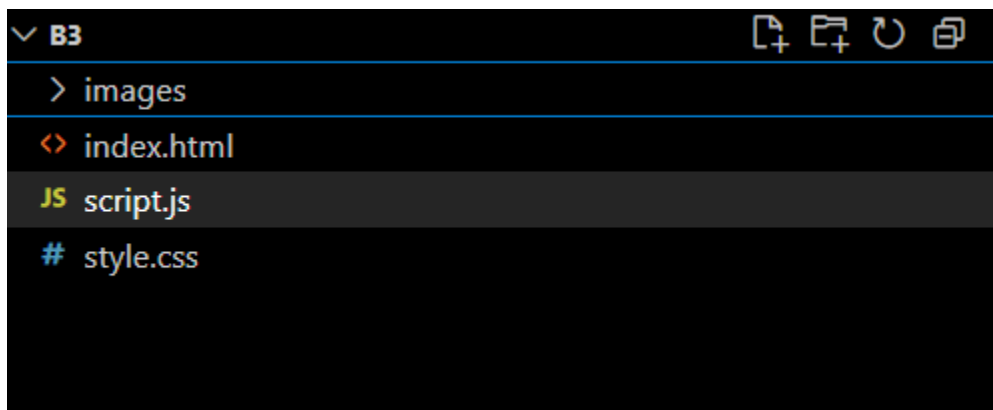

ID: 018176301

DATA236

ASSIGNMENT b3

All screenshots implementing all the tasks from b2 as well as modifying the existing files to implement bootstrap classes and reducing all the css content is present below.

I have also attached a screenshot of the directory structure for building this website
All the screenshots indicated that I have ran the website on my phone by accessing the same ip address since both devices are connected to the same network.
